

### REMARKS

In the Office Action, the Examiner noted that claims 1-28 are pending in the application, that claims 1-4, 8-13 and 16-28 are rejected, that claims 5-7 are allowed, and that claims 14-15 are objected to. The Examiner also objects to Figure 1. By this amendment, a corrected Figure 1 is submitted and claims 1-4, 8-13 and 16-28 have been canceled and claims 14-15 have been amended. Thus claims 5-7 and 14-15 are pending in the application.

#### Objection to the Drawings

The drawings are objected to because Figure 1 does not show reference numerals 100, 116, 120, 114, 110, 118 and 112 as described on page 3 of the present specification. A replacement sheet with the necessary corrections is included herewith for consideration by the Examiner. Withdrawal of this objection is respectfully requested.

#### Rejections under 35 USC § 112, 35 USC § 102, 35 USC § 103

By this amendment, claims 1-4, 8-13 and 16-28 have been canceled and Applicant respectfully submits that these rejections are now moot and that the application is now in a condition for allowance. Claims 14 and 15 have been rewritten in independent form, including all the limitations of the base claim and intervening claims to overcome the Examiner's objection to these claims being dependant on a rejected claim. Applicant respectfully requests that these rejections and objections be withdrawn in light of these amendments.

**Conclusion**

For the reasons advanced above, Applicant respectfully submits that the application is in condition for allowance and that action is earnestly solicited.

If there are any additional charges with respect to this Amendment or otherwise, please charge them to Deposit Account No. 503125 maintained by applicants' agent.

In the event that an extension of time is required, or may be required in addition to that requested in a petition for extension of time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to Deposit Account 503125
